HEY BOOMERS!

The bells!

The bells! It's your old pal Megadroid here, ringing in a new look to your fave comic for 1998. After almost two and a half years, the humes-who-think-they're-in-charge, decided it was time STC had another upgrade. Make it your resolution to write and tell me what you think of the new design!

This issue also includes all new stories, featuring the return, by popular demand, of the red

dreaded echidna, Knuckles, in a team-up with Tails! Plus, there's Sonic, Amy & Tekno, and Decap Attack too.

As if that wasn't enough, there's a sega-sational Sonic, Tails and Knuckles Pin-Up, together with your own artwork in the '98 Resolution Zone!

Thanks for buying STC throughout 1997 and for swamping the office with your Christmas cards. I was so snowed under, I couldn't see the humes' faces for weeks (my new year wish came true earlier than I expected!).

SUPER SONIC

Dear Megadroid,

I really enjoyed reading the last Super Sonic story which finished in *STC* 118, as I think he's crazy but cool. Could you please tell me in which issue Sonic first turned super?
Clare Riches,
Esh Winning, Durham.
Enamel Badge Prize Winner.

Yes, Clare, Sonic made the big change in *STC* 7, which for trivia buffs, was when artist Richard Elson first joined *STC* clan!

HAYLEY'S COMBAT

Dear Megadroid,

I would like to know the answer to two things please...

- (1) When is the Sega Channel coming to the West Midlands in the Dudley and Wolverhampton areas?
 - (2) Also, how come Lynne Triplett has had her name in the comic twice (once in *STC* 84 and again in *STC* 110), when I can't even get a letter or drawing published once?
- Hayley Gonderton,
Pensnett, W Midlands.
Enamel Badge Prize Winner.

- (1) Unfortunately, Hayley, Sega say they have no plans for the Sega Channel to operate in the West Midlands. It seems to be just in England's North West and North East.
- (2) Oh yes you can!

FOOD FOR THOUGHT

Dear *STC*,

- Q: What's blue and prickly and squirts jam at you?
A: Sonic eating a jam doughnut.

PLEASE SEND IN NAME AND ADDRESS.
ENAMEL BADGE PRIZE WINNER.

CHAOTIX RETURN

Dear Megadroid,

It's always the obvious characters that readers think are the coolest. However, my faves are strangely disappearing from *STC* - I'm speaking about Super Sonic and Chaotix. I demand that you bring them back!
Richard Ng,
Dublin, Rep of Ireland.
Enamel Badge Prize Winner.

Oh alright then! The good news is that Chaotix are back with Knuckles in the very next issue for a new four part story. However, Super Sonic's 'resting' after his recent series.

Be sure to include your email address if you want to win a prize!
